Hosted by Chautauque Lake Twin Tier Chapter, ACBS, Inc.  
Village Casino Docks and Village Park

June 27, 2026

Plans are now underway for this summer’s [Antique and Classic Boat Show](#) in Bemus Point, NY! The Chautauque Lake Twin Tier Chapter of the ACBS is excited to be holding this popular event again, one that draws enthusiastic crowds to our iconic Bemus Point lakeside community. We look forward to seeing what old boats cruise in, and hope to see many of our favorites as well as some classy “new” antique and classic beauties on Saturday, June 27.

We are seeking advertisers for this event and we are hoping that your business/organization/family might be interested in supporting our mission of keeping the history and nostalgia of antique boating alive. We are offering colorful professionally created **advertising signs** for your business, organization or even your family’s sentiment. These two-sided signs will be prominently displayed throughout the Village Park on the day of the boat show, and your name will be announced numerous times throughout the day by our professional DJ, as well as being listed in our show materials.

The form below offers two options for your sign as well as another option to participate that would greatly benefit our show. This show wouldn’t be possible without the support of our community of friends, won’t you please consider helping?
